Derbyshire

STP

The aim of the STP service is to prepare clients to move on to live independently. Clients receive support to address issues that have previously been a barrier to maintaining a tenancy. Clients are also offered Crisis Renting Ready course. Clients are supported to apply for properties using the bidding system of the local housing provider.

Eligibility Criteria:

- Aged 18+ single persons or childless couples
- Must have a local connection to the area
- Low to medium complexity of need, such as a combination of mental health issues, offending (or risk of offending), substance misuse, first time tenancy or long-term homelessness
- Any arrears for former tenancies must not exceed £1500 and the client must be willing to make a payment arrangement to clear them.

Referral Process

- Referrals can be made by any agency
- Self-referrals will not be accepted
