

Derby Projects

Transition Hub

Property with 16 self-contained rooms for medium to high need clients. Clients will have a history of rough sleeping and require intensive support to break the cycle of tenancy failure and rough sleeping. A service charge is payable. Support is available during office hours, and security staff are in place on evenings and weekends.

Eligibility Criteria:

- Aged 18+
- Must have a local connection to the area

Derby 1st STEPS

Provides accommodation and support services to a range of individuals from low to medium need who have had previous housing issues, failed tenancies, or who have never had a tenancy before.

Eligibility Criteria:

- Aged 18+
- Must have a local connection to the area

Referral Process:

Referrals come via Derby Homes and Derby REST team.

RSAP / NSAP

Flats in the community for clients with a history of rough sleeping. Support is provided. These properties are provided by Derby Homes and are intended as temporary accommodation. Clients are responsible for payment of all bills.

Eligibility Criteria

- 18+
- Must have a history of rough sleeping

Referral Process:

We do not receive referrals for this project.
